

# AMG NORTH WEALD LIMITED

*Logistics Solutions Since 1974*

## ▶ Experience

- ▶ One of the reasons we have survived for over 40 years' in the highly competitive and fast changing world of logistics, is our flexible and positive commitment to our clients' needs

## ▶ Customer Satisfaction

- ▶ We have a proven track record of being a major supplier to a wide range of customers from blue chip to sole trader and believe we provide an important key in the smooth running of their operations. We strive towards customer satisfaction; this, linked with an emphasis on personal service, inspires us to work together as a team to provide the ultimate logistics service

## ▶ Future

- ▶ Our vision for the future will encompass these core strengths thus providing a secure base for growth. A responsible company must be aware of, for example, environmental issues, global changes and government restraints when making its forward planning; our basic structure with its emphasis on a tightly knit team will ensure that decisions are made for the sustained welfare of the entire company
