FACILITY

### > LOGISTICS WAREHOUSING

Kammac's approach to storage and logistics is underpinned by a firm focus on customer responsiveness. Across the UK, we offer dedicated and multi-user bonded storage, and warehousing for dry, ambient or temperature-sensitive goods.

### > CONTRACT PACKING

Kammac is one of the UK's leading contract packers. Customers benefit from complete flexibility and the ability to respond effectively to the needs of their market. From labour-intensive work and high volume output to specialised high-tech packing requirements.

### > TRANSPORT DISTRIBUTION

Our distribution service encompasses transport from manufacturing facilities to distribution centres nationwide, and shipment from these centres to retail outlets. We're continually investing in our modern fleet of **100 vehicles** and **200 trailers** to keep your supply chain moving. We also use the latest satellite tracking systems for real time data.

### > FULFILMENT SERVICES

**30,000 pallet** storage. **450,000+ pallets** per annum throughput.  
**9.4 million cases** picked and despatched for UK wide customer delivery.  
**Nationwide** factory clearance services.
