WORKSPACE EXAMPLES

WE HAVE THE SPACE...
DO YOU HAVE THE NEED?

SELF-STORAGE

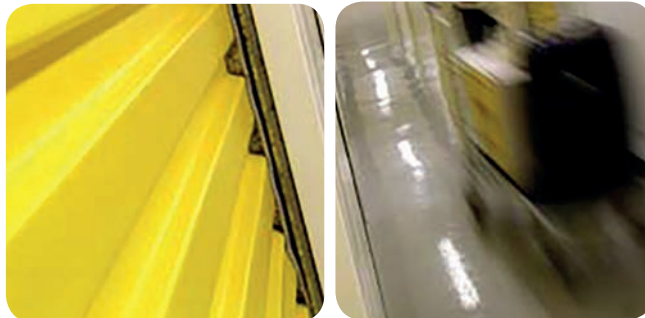

Somewhere to store stock, equipment, furniture or project based items?

We provide a wide range of room sizes capable of storing items from a single box upwards, all in a secure, purpose built environment.

WAREHOUSE & LOCK-UPS

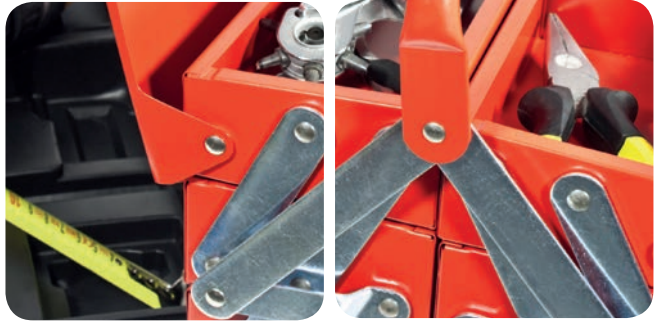

We provide businesses with available solutions on either a temporary or permanent basis. Spaces range from 200 to 2000 square feet and are supported by additional features such as our Receive and Dispatch service. Please ask for further details.

OFFICES

Flexible offices within our Business Centres are suitable for between 1 and 6 desks. Each office is unfurnished, modern and bright, benefitting from free to use WiFi and communal services such as kitchen facilities and WC's.

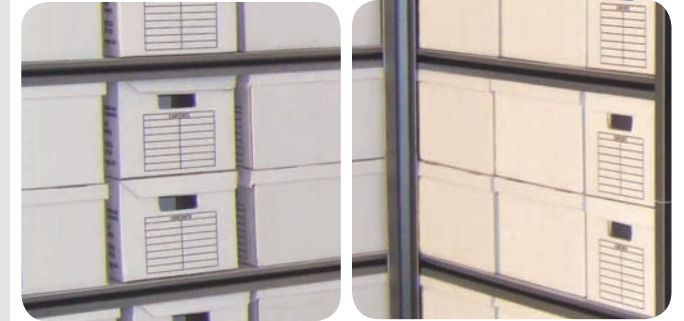

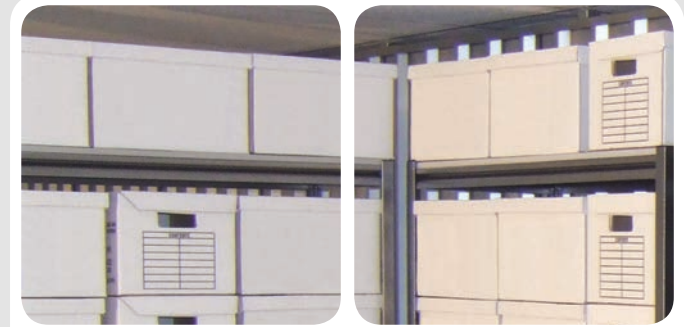

An environment in which your business can operate and grow. Spend time developing your business in the knowledge that you can increase or decrease your workspace as is appropriate with your business needs.

WORKSHOPS

From a single pallet to seasonal stock surpluses, a Stock Room can be the flexible answer to your business needs. Items are accessible to you around the clock, yet secure at all times and preserved to the standard they are stored.

STOCK ROOMS

Used by clients to meet both their legal requirements and to convert office space into something more productive. Archiving solutions are available from a single box to 1,000's, typically representing a significant saving over the alternatives.
