

# NEW CAMPUS GATEWAY SERVING THE SOUTH WEST OF ENGLAND AND WALES

## THE OPPORTUNITY

DHL now extends its capability in the South West and Wales with a brand new facility operating alongside its existing site a short distance away. This new development represents an exciting opportunity for you to better service your customers through:

- An agile, responsive and cost efficient local service
- Uncompromising health and safety processes and DHL service quality
- The minimisation of environmental impact, including optimised recycling opportunities.

## Location

The new campus is strategically located for servicing the South West of England and Wales situated close to:

- J20 on the M4 motorway
- J18 on the M5 motorway.

The nearby A403, M48 and M49 offer unparalleled access to the Severn Bridge, the Second Severn Crossing and easy access to nearby Bristol via the A38, M32 and A4.

In addition, Highways England has recently announced the location of the new M49 junction providing access directly into the Central Park.

## SERVICES & SPECIFICATION

- 150,000 sq. ft. of cross dock capability and storage
- Serving the region with a range of ambient and food standard temperature controlled services

## WHY DHL?

### Fast Facts and Figures:

Employees: 42,000

Facilities: 400

Customers: 450

Warehouse Space: 1.9 million sq.m

**Environmental Responsibility:** GoGreen is our environmental protection programme to tackle climate change. We focus on areas where we can make an immediate impact like vehicle design, driver training and energy efficiency at our sites, using the latest technological solutions. We operate the largest dual fuel fleet in Europe that is achieving savings of 10-14% on CO<sub>2</sub> emissions.

**CSR:** Responsible business practice is essential to the long-term business success of DHL. For our stakeholders too, it is fundamental that we act responsibly:

- To adopt fair business practices
- Take a sustainable management approach
- Act with integrity in our dealings with customers, employees, investors and business partners.

We apply high ethical, social and environmental standards in our daily activities to meet business expectations:

- £1.8 million invested in charitable grants, donations and activities
- Over 400 charities supported
- 35,000 hours volunteered.

The DHL UK Foundation works in partnership with the DHL businesses and DHL employees nationwide. The Foundation focuses on:

- Road safety
- Employability
- Employee engagement.

Our Teach First programme is part of our commitment to the education and employability of young people in the UK.
