

Meet **Lama** Fulfilment

Whether it's ecommerce, B2B, storage or international growth, Lama gives you tech-first fulfilment, visibility and control.

Here's what you get with Lama:

eCommerce fulfilment that scales

From 5 to 50,000+ orders a month - same-day pick, pack & ship across multiple marketplaces and webstores.

B2B & retail ready

Wholesale, major retail distribution prep and fulfilment, Amazon FBA prep and fulfilment, TikTok Fulfilment, prep and fulfilment.

Over 150K sq ft of warehouse capacity

Need pure storage? With 20K+ pallet spaces, we've got you covered - flexible pallet-in/pallet-out solutions, no fulfilment required.

LamaOps Command Centre

- Real-time stock & order visibility
- Live courier tracking & notifications
- Returns & reverse logistics management

With LamaOps, your order data flows where you need it - CSV, API or off-the-shelf integrations such as Xero, Sage, QuickBooks, Netsuite and more.

Seamless integrations

Connect instantly to Shopify, Amazon, TikTok Shop, WooCommerce, eBay, Magento and more.

Bespoke integrations with ERP, WMS and finance systems

API connectivity for custom workflows. Legacy ERP, custom portal, weird middleware? - no Problema. We build secure, scalable integrations that make your data flow.

Custom packaging & brand experience

Branded and bespoke packaging, inserts and delivery notes.

Global shipping - EU, US & beyond

UK warehouses, EU fulfilment options and international courier partnerships for worldwide reach.

Human support, always

Real people on phone, chat or email. No bots, no scripts, no delays.

**Brands choose Lama
because we're fast, flexible
and genuinely care about
your customer experience.**

Ready for a fulfilment partner?

If you're ready for a fulfilment partner that grows with you, we'd love to have a chat.

Leave it to Lama.
