

ATL Fulfilment — Warehousing & Order Fulfilment Services

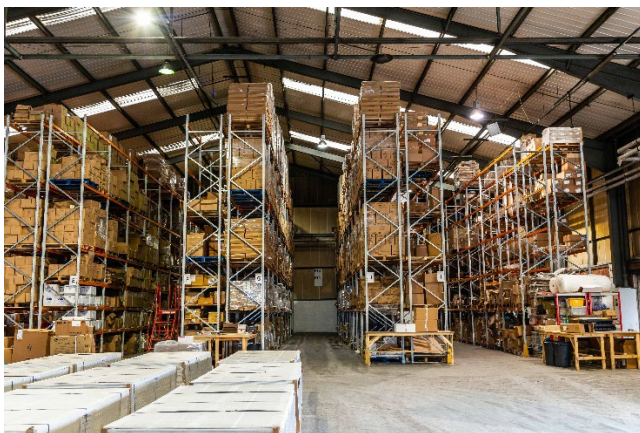

Unit 7a Moorland Gate Business Park,
Cowling Road,
Chorley, PR6 9FE

About ATL Fulfilment

ATL Fulfilment is a privately owned 3rd party logistics provider established in 2013 by Tony Allen and Andy Lewis. Over more than a decade, we have built a strong reputation for delivering reliable, scalable and cost-effective storage and fulfilment solutions for businesses of all sizes.

Our client base spans ecommerce startups to established international brands. Whether you require bulk pallet storage or fast-moving pick & pack operations, ATL Fulfilment provides the experience, facilities and technology to support your growth.

As a UKWA accredited warehouse, you can trust us to safeguard your stock and maintain consistently high operational standards.

Our Team

Tony Allen – Co Founder

Tony has spent his entire career in warehouse and distribution operations, holding senior management and account director roles with major logistics providers including WLG and Tigers. His experience managing large, complex 3PL contracts ensures ATL delivers operational excellence across every project.

Andrew Lewis – Co Founder

Andy brings over 30 years of senior project management and business development experience from the civil and military aerospace sectors. Having led multi-billion-pound export, logistics and industrial cooperation programmes at Westland Agusta, Airbus Toulouse, and BAE Systems, Andy ensures ATL's clients benefit from a strategic, customer-first approach to fulfilment.

We don't hide behind account managers—our directors work shoulder-to-shoulder with every client, offering real relationships and real support, 24/7

Our Services

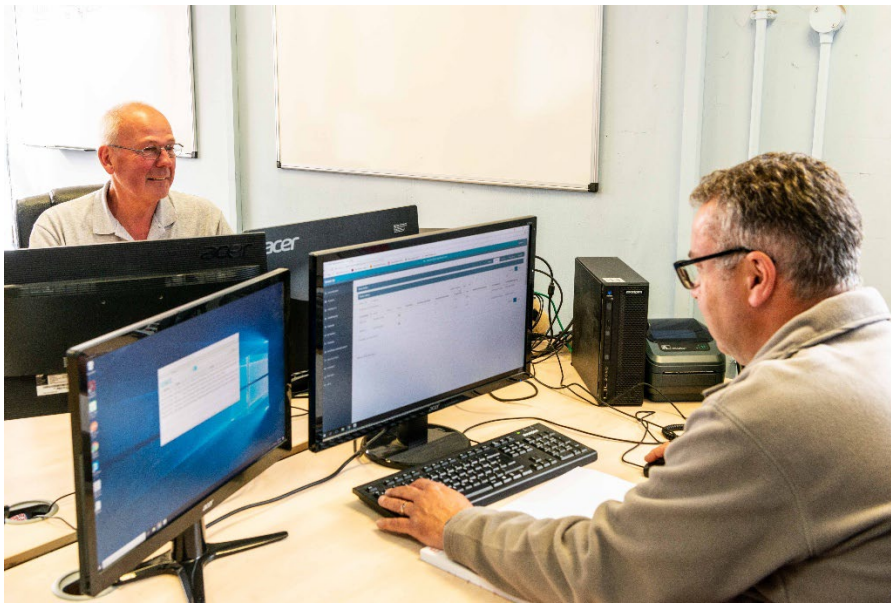

- Pallet Storage & Inventory Management – Secure, scalable warehouse space with precise stock control.
- Pick, Pack & Dispatch – Fast, accurate order processing by experienced fulfilment teams.
- Ecommerce Fulfilment – Direct integrations with major platforms including Amazon, eBay, Shopify, Etsy, Magento, Mirakl.
- FBA Preparation & B2B Distribution – Compliant preparation, labelling and wholesale despatch.
- Multichannel Carrier Options – Courier optimisation for UK and international shipping.

Technology & Integration

ATL uses Mintsoft OMS/WMS, trusted by over two hundred warehouses and supported by The Access Group. This ensures:

- Automatic order import
- Real-time stock visibility
- Barcode-driven accuracy.
- Automated dispatch notifications
- Tracking updates directly to your customers

Our in house IT support team will integrate into your ecommerce platform quickly and securely, ensuring seamless fulfilment from day one.
