HOW IT WORKS

FROM INBOUND TO OUTBOUND. SIMPLE. EFFICIENT. RELIABLE.

YOUR PRODUCTS.
OUR PROCESS.
REAL RESULTS.

A STRAIGHTFORWARD PROCESS DESIGNED AROUND YOUR BUSINESS.

We make warehousing and fulfilment simple, giving you complete visibility and confidence from the moment your stock arrives to the moment it reaches your customer.

01 INBOUND GOODS IN

We receive your goods, check, scan and book them into our WMS, giving you real-time visibility from day one.

02 PUT AWAY INTO STORAGE

Your stock is securely stored in the most suitable location, whether pallet or boxed, ready for fulfilment.

03 STOCK MANAGEMENT ACCURATE & VISIBLE

We manage your stock in real time using barcode scanning and our WMS, so you always know what you have and where it is.

04 ORDER FULFILMENT PICK, PACK & CHECK

Orders are picked, packed and quality checked to your exact requirements, ensuring accuracy and a professional presentation.

05 DISPATCH ON TIME

We arrange dispatch via our trusted carrier network, ensuring your goods reach their destination safely and on time.

06 ONGOING SUPPORT A TRUE PARTNER

Our team are always on hand to support you with reporting, stock updates and any changes to your requirements.

SUPPORTING BLOOD BIKES WALES

When every journey matters.

OUR MANAGING DIRECTOR, MARK HARDING, IS A BLOOD BIKER

We're proud that Mark gives his time outside of First GB Logistics to support Blood Bikes Wales, alongside other members of our team who volunteer as blood bikers and controllers, helping to keep this vital service running.

Their commitment is a great example of how our people make a positive difference in the community.

WHAT ARE BLOOD BIKES WALES?

Blood Bikes Wales is a 100% volunteer charity providing a completely free courier service to the NHS across Wales. Volunteers transport blood samples, plasma, donated human milk, documents and other vital medical items, helping to save lives and support patient care.
