Your central storage hub for e-commerce. Everything comes in, we make sure it ends up in the right place.

Services AG e-Commerce

Core

Warehousing & Storage

38,000 m² BREEAM-Excellent new-build with 74,000 pallet positions. Fully sprinklered, secured and equipped with Monta WMS.

Fulfillment

Webshop Fulfillment

Fully outsourced order processing. From order picking to shipping — your customers receive their order quickly and perfectly packed.

Fulfillment

Marketplace Fulfillment

Amazon, Bol.com, Zalando and more. We know the restrictions, packaging requirements and time slots of every marketplace.

B2B

B2B Logistics

From bulk orders to your own brand stores through to full retail distribution. B2B distribution and dealer network supply from one central point.

Specialist

Inbound Containers

Professional unloading of inbound containers. Sealing machines in-house, special requirements no problem. From container to pallet.

Specialist

Bonded Warehousing

Defer up to €1,000,000 in VAT and import duties. Improve your cash flow by only paying on release.

Specialist

Customs & Compliance

Complete customs handling taken off your hands. All forms, declarations and procedures via our network.

Flexible

Overflow Storage

Temporarily store extra pallets without long-term commitments. Scale up flexibly for seasonal peaks or growth.

eCommerce

Our core values

Everything we do is based on four pillars that shape our service delivery.

Fast

Operational within 1 week. We act where others are still planning.

Flexible

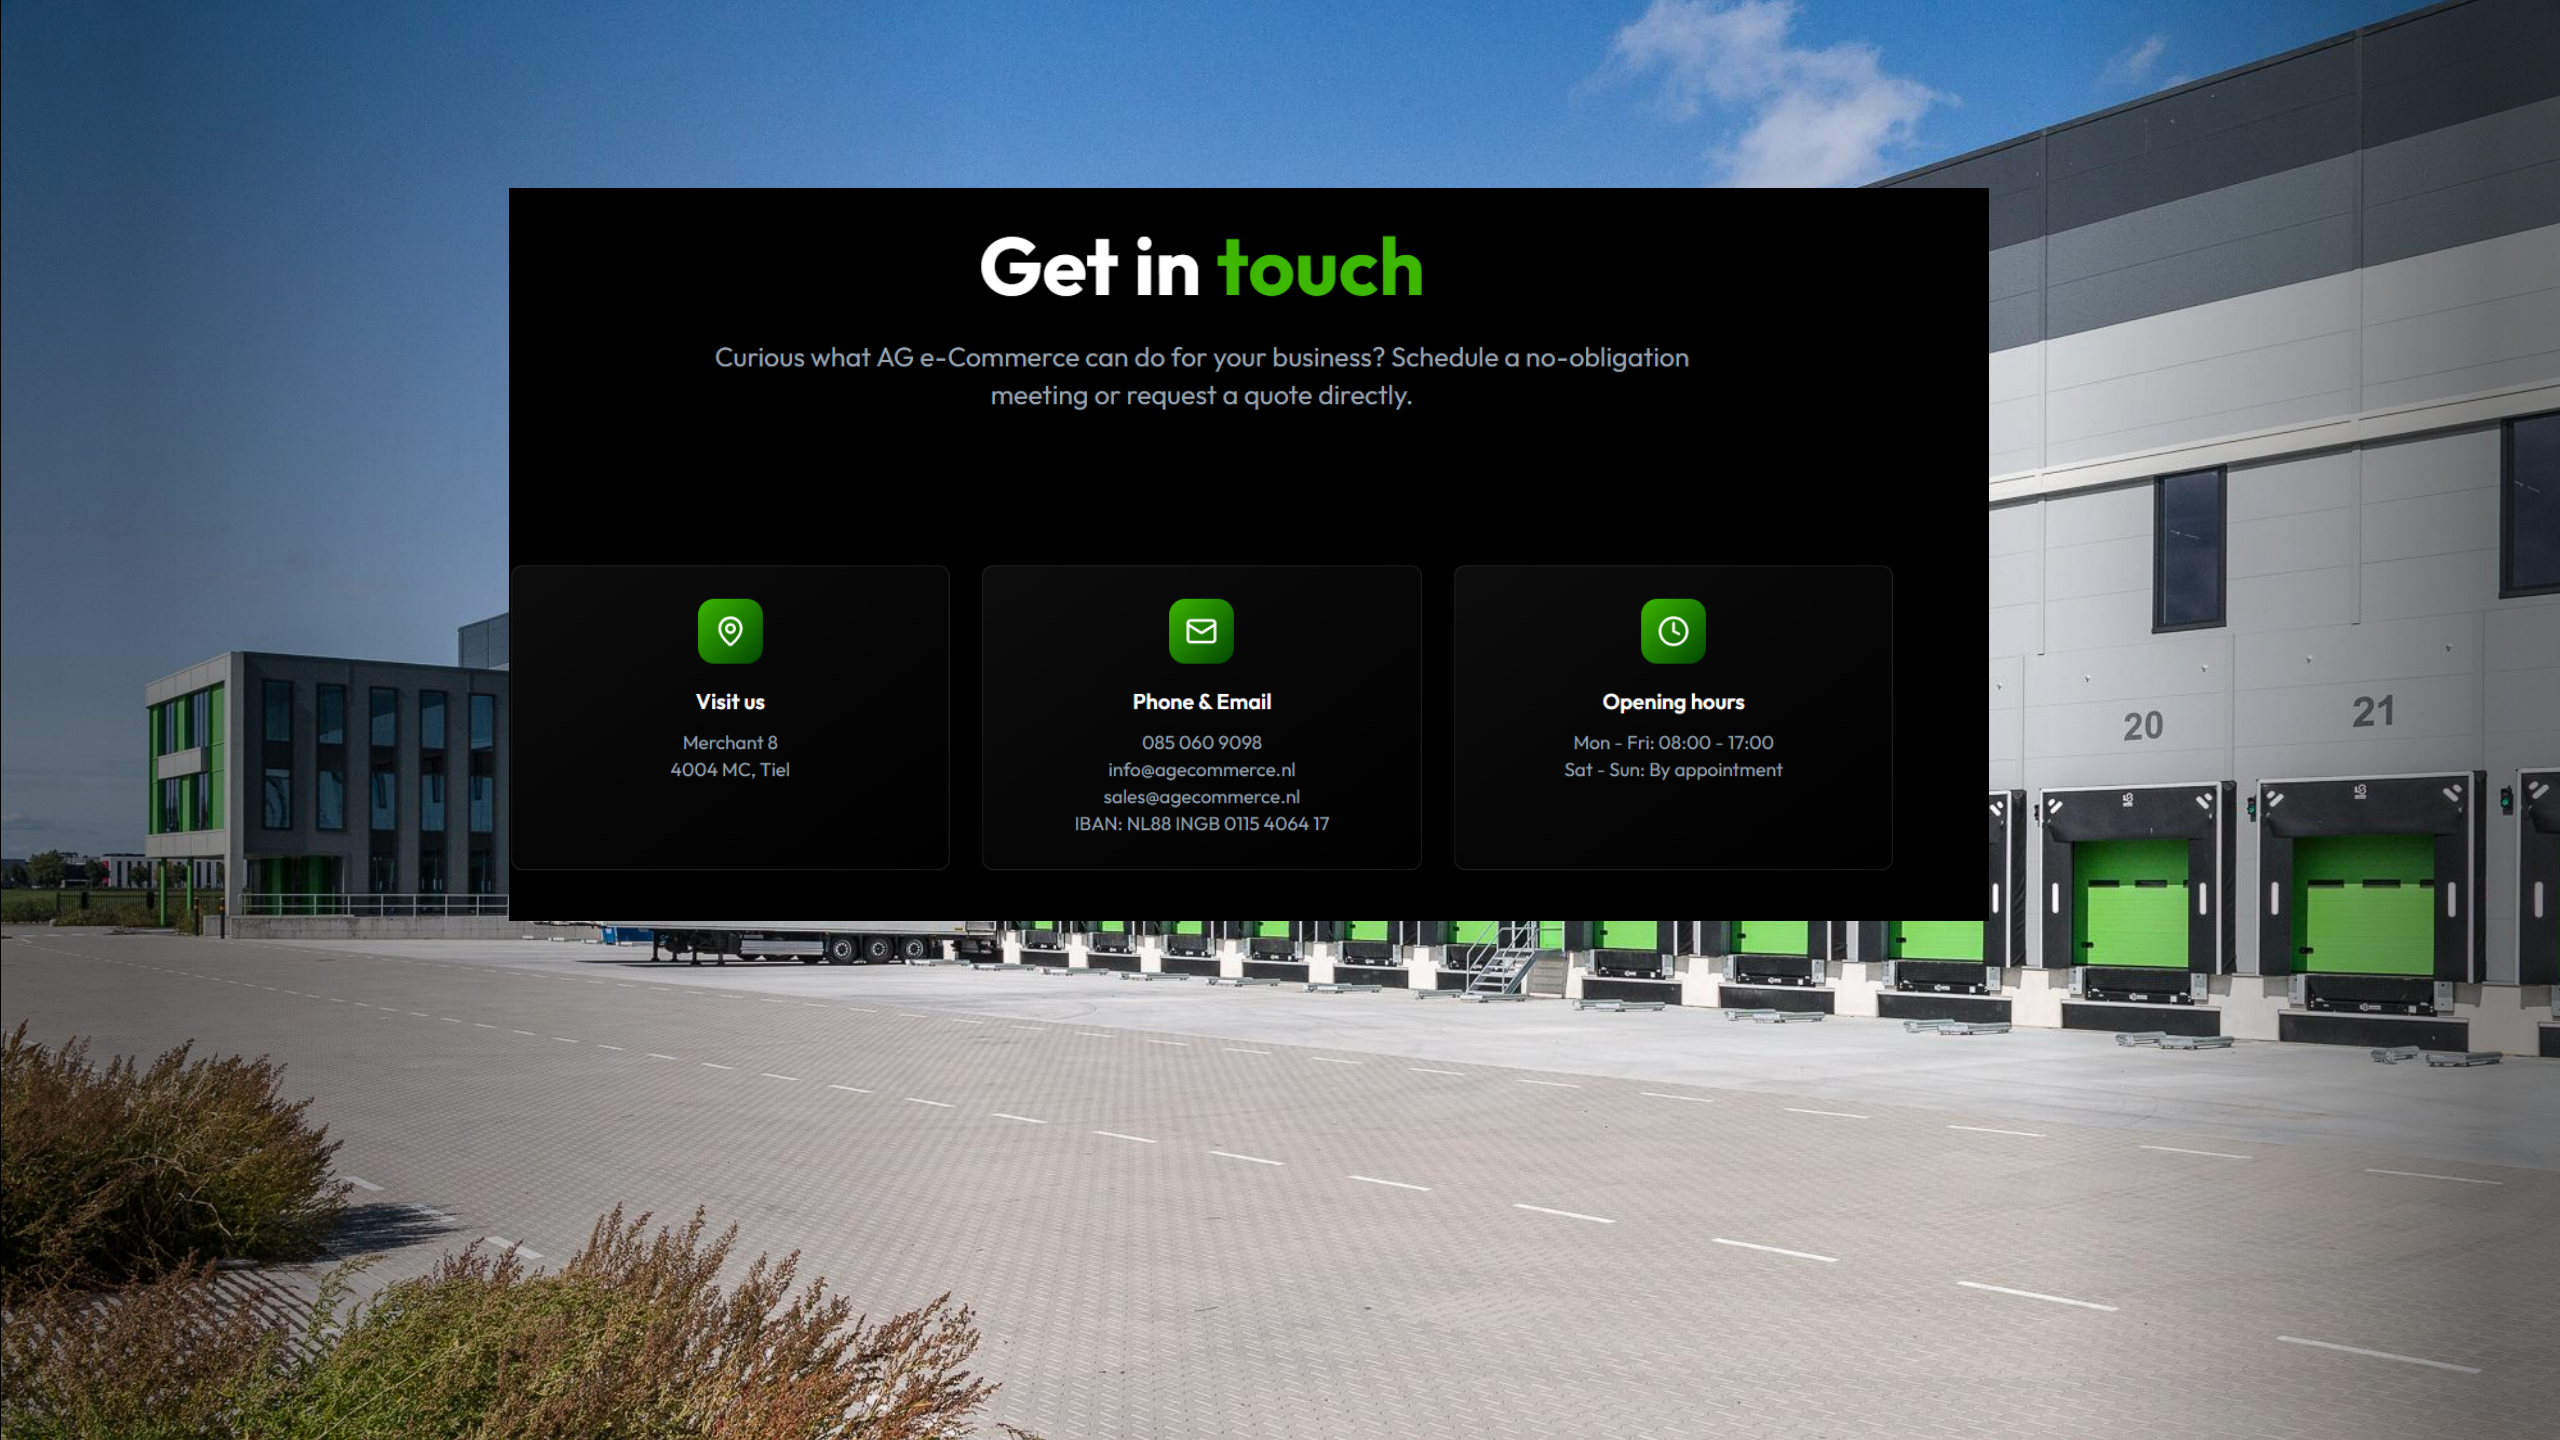

From a few pallets to complete product lines. We scale with your growth.

Highest Quality

State-of-the-art systems, trained staff and flawless processes.

Sustainable

BREEAM-Excellent, own energy generation and green last-mile delivery.
